Commissioner for Patents

On January 3, 2007, after a notice of allowance was issued, the Applicant submitted the abstract. The abstract is acceptable by the Examiner. In addition, on January 11, 2007, a letter submitted by the Applicant states that the Applicant does not concede that the claims are only allowable for the precise reasons as stated by the Examiner. The examiner believes that independent claim 1 and dependent claims 3-13 are allowable and the limitations of independent claim are reflected in the examiner's statement of reasons for allowance.
